IT'S NOT A ROCKING CHAIR!

A SEMINAR SERIES FOR BOARD CHAIRS

Governance Strategies Summer Series 2012

Board Chairs occupy a pivotal position, often exercising great influence over both the process and outcomes of governance. The position is certainly not a rocking chair – on the contrary, it is demanding and critical to the well-being of an organisation. The Summer Series will assist Chairs to explore the dimensions and potential of their role.

Seminars for Board Chairs:

Wednesday March 7th: 5.15 – 7.30pm

Wednesday March 21st: 5.15 – 7.30pm

Seminar One: Board Chairs: A stock – take

Presenter: Doug Matheson

Doug has over 30 years' experience as a chairman and director in a number of sectors, in New Zealand and overseas. Having worked in governance and management in the private sector, led both local and central government bodies, and chaired not-for-profit organisations, Doug brings a particularly wide ranging perspective to governance.

Seminar Two: Reflections on the Chair role: Practices, Problems & Possibilities

Panellists: Professor Allan Anderson

- Chair of Manawatu Science Centre
- Chair of Gisborne Fisheries Ltd

Materoa Mar - Chair of Mental Health Foundation of NZ
- Chair of Te Kura Kaupapa Maori O Manawatu

Alastair Hall - Litigation Partner at Fitzherbert Rowe, Lawyers specialising in employment law, advocacy and general dispute resolution

Mavis Mullins - Chair of Poutama Trust
- Chair of Hautaki Limited
- President of Golden Shears International

Relax in the Hokowhitu Function Centre at the Manawatu Golf Club, take the time to renew and extend your Chair and governance networks while enjoying complimentary refreshments, and hear from skilled and experienced governance specialists and practitioners. There will be opportunities for Qs & As.

Venue: Manawatu Golf Club, 19 Centennial Drive, Palmerston North
